
Office Property in Tracy?? or Central Valley?

Posted by leestockton - 2008/04/07 04:11

I'm a commercial real estate agent specializing in office property in our Central Valley.

Do any readers/business owners have needs in this area? Tracy has a relatively high vacancy rate for office product, and building owners are getting very creative on the deals they make in order to get tenants in their buildings.

Shoot me an e-mail so we can discuss this further or call with a property that you have question about.

Thanks.

Sincerely,
