The Tracy Fire Dept CERT (Community Emergency Response Team) will be holding its next class starting on Thursday May 8. The classes will be held on Thursday nights from 6:30pm to 9:30, with our graduation on Saturday June 21. If you are interested please contact the Fire Administration office at 831-6700 to register. There are a few spaces available and we would love to have you learn how to be an asset to the community during a disaster. The training is free and very valuable, so please make time to attend.

Kenn Silligman  
Training Section Leader
